

**Of the Scriptures**

We believe that the Holy Bible was written by men super-naturally inspired; that it has truth without any admixture of error for its matter; and therefore is, and shall remain to the end of the age, the only complete and final revelation of the will of God to man; the true center of Christian union and the supreme standard by which all human conduct, creeds and opinions should be tried.

**Of the True God**

We believe that there is one, and only one, living and true God, an infinite, intelligent Spirit, the maker and supreme ruler of heaven and earth.

We believe in the Genesis account of creation, and that it is to be accepted literally, and not allegorically or figuratively; that man was created directly in God's own image and after His own likeness; that man's creation was not a matter of evolution or evolutionary change of species, or development through interminable period of time from lower to higher forms; that all animal and vegetable life was made directly, and God's established law was that they should bring forth only "after their kind."

### **Of the Virgin Birth**

We believe that Jesus Christ was begotten of the Holy Ghost, in a miraculous manner; born of Mary, a virgin. He is both the Son of God, and God the Son.
